Technical data

3 in 1

Well-rounded

Three applications are possible with one hem guide: closed hems (20/30/40 mm or 0.06/1.18/1.57 in) to open hems up to 100 mm (3.9 in) or hems with piping.

Hands-free

Convenient foot pedal

The HEMTEK ST is easy to operate with its convenient foot pedal that enables both hands to be free to guide the material.

Pressure roller

Infinitely adjustable pressure

Thanks to the integrated weight, the pressure can be adjusted steplessly. The roller uses high pressure with an intelligent mechanism.
